Discover a 96-acre focus on leisure Ontario, Canada

**ontario place**

## Ontario Place

A modern village green . . . 96 acres of parkland on three man-made islands in Lake Ontario at the tip of Toronto. Water, trees and sky form a background for glass and steel structures and a picturesque marina. A domed theatre cradles the world's largest indoor film screen. Top entertainment takes place in an outdoor amphitheatre. Marching bands, minstrels and calypso groups play music on the site while clowns and "animal characters" are colourful crowd-pleasers. Boutiques and restaurants cater to every pocketbook. For children . . . their own playground. For everyone . . . a new focus on leisure.

## Cinesphere

A spherical theatre with a six-storey-high curved screen and armchair-seating for 800 people. At night its domed roof, an arc of sparkling lights, is a glittering Toronto landmark. Specially-commissioned giant-screen IMAX film productions are shown continuously.

## Experiential Theatres

Located in the steel and glass pavilions . . . dazzling multi-media productions combining colour, music and imagination provide a memorable audio-visual experience.

## Children's Village

This enchanting playland is designed for children only, and they love it. Adventures abound in Earth Box Crawl, Soda Fountain Mountain and Foam Swamp. Most of the two-acre playground is covered by a bright orange canopy, so rain or shine every day is Children's Day at Ontario Place.

## Water Play

The glories of the old swimming hole are recreated in this unique three-tiered addition to Children's Village. Instead of water pistols there are pedal cannons; instead of tug o'war, there's tug o'water . . . and many more aquatic play events to keep children wet and laughing for hours. There's a bird-shaped, bug-eyed "Kids' Dryer" and a viewing area where adults can sit and watch the fun.

## Forum

An open-air theatre-in-the-round where symphony, opera and ballet share the spotlight with pop, rock, jazz and country music. A wide array of talent is presented . . . from internationally renowned artists to a skirling pipe band to a children's theatre troupe. More than 8,000 people can be accommodated . . . 2,000 under the vinyl canopy roof and 6,000 on the grassy slopes beyond.

## Restaurants & Cafes

Wine and dine on outdoor terraces by waterside decks. Choose seafood, roast beef, hot dogs, chow mein or escargots. Listen to a folk band, an um-pa-pa band or sing-along with a group. Be it a Bavarian beer garden, an Irish pub or a Chinese snack bar, there's an atmosphere and a price to suit everyone.

## The Marina

A nautical breakwater of three partially-sunken lake freighters forms a seawall promenade for the Ontario Place Marina, one of the largest on the Great Lakes. In addition to slips for 320 boats of varied sizes up to 60 feet, there's a dock for sight-seeing cruisers and a sailor's pub.

## A Gathering Place

Throughout the year, Island Ports Restaurant complex is open for special events and rates will be provided on request for use of facilities for receptions, conferences, banquets and private parties. Theatres may be leased for presentations. Reservations: (416) 965-7731.

## Enjoy

Meet friends at the "Welcome Wall" where the animated Mock Clock chimes its happy chorus . . . people-watch from the roof decks . . . stroll along the Marina breakwall . . . take a sightseeing boat tour of the Toronto harbour and islands . . . visit the much honoured naval vessel HMCS "Haida" . . . play miniature golf or pedal-boat through the canals . . . shop for Canadian handicrafts at colourful boutiques . . . picnic on the lakefront. Just enjoy Ontario Place, it's yours.

## Ontario Place Pavilion and Cinesphere
